Wash-N-Go!™

Helping You Stay Healthy

- Stainless steel construction for durability and easy cleaning.
- Maintenance-friendly design.
- Hands-free, battery-operated sensor faucet to reduce the potential spread of bacteria. Plug in version available.
- Laminar flow to minimize splash and provide the recommended flow for sufficient hand washing.
- Cap over drain to reduce airborne germs.
- Available in several configurations.

STAYING ACTIVE AT A PARK OR PLAYGROUND CAN HELP YOUR MENTAL AND PHYSICAL HEALTH.

Visiting a park, trail, or open space can help you relieve stress and stay active. While it is beneficial to visit these facilities, it is also important to take precautions to protect against COVID-19. The CDC recommends the following steps when visiting a playground:

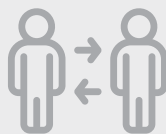

WHAT YOU NEED TO KNOW IF YOU CHOOSE TO VISIT A PLAYGROUND:

- Visit parks and recreation areas that are close to your home.
- Don't visit crowded parks or campgrounds.
- Carefully consider use of playgrounds, and help children follow guidelines.
- Wash hands with soap and water for at least 20 seconds.
- Adults and older children who can safely use hand sanitizer: Use hand sanitizer that contains at least 60% alcohol and rub hands together until dry, if soap and water are not readily available.*

STAY SAFE AND ENJOY YOUR TIME AT THE PARK AND ON THE PLAYGROUND:

WEAR A MASK

STAY 6 FT APART

WASH HANDS

AVOID CROWDS

Built to Last

HIGH QUALITY, LONGEVITY, AND EASE OF MAINTENANCE

Murdock® Wash-N-Go™ stations share the same high quality, longevity, and ease of maintenance as our classic G series products. Constructed from heavy-duty 12-gauge, type 304 stainless steel and featuring an all-welded construction, the Wash-N-Go is vandal-resistant, corrosion-resistant, and perfect for high-traffic outdoor locations.

CUSTOM COLORS AVAILABLE

Murdock has the exclusive ability to color-match any existing Pantone® swatch, enabling you to integrate Wash-N-Go™ stations into existing branding. The standard color options include satin-finish stainless steel or green, blue, or red powder coat.
