## HIGH QUALITY, LONGEVITY, AND EASE OF MAINTENANCE

Murdock® Wash-N-Go!® stations share the same high quality, longevity, and ease of maintenance as our classic G series products. Constructed from heavy-duty 12-gauge, type 304 stainless steel and featuring an all-welded construction, the Wash-N-Go! station is vandal-resistant, corrosion-resistant, and perfect for high-traffic outdoor locations.

### CUSTOM COLORS AVAILABLE

Murdock has the exclusive ability to color-match any existing Pantone® swatch, enabling you to integrate Wash-N-Go!® stations into existing branding. The standard color options include satin-finish stainless steel or green, blue, or red powder coat.
